The Traditional Small Craft Association, Inc., is a nonprofit educational organization working to preserve and continue the living traditions, skills, lore, and legends surrounding working and pleasure watercraft whose origins predate the marine gasoline engine.

We encourage the design, construction, and use of these boats, and we embrace contemporary variants, modern materials, and adaptations of traditional designs.

The Traditional Small Craft Association, Inc., is a tax-exempt, non-profit organization under section 501(c)(3) of the Internal Revenue Code. Dues and contributions to TSCA are tax-deductible to the extent permitted by law.
